Prize money as stated in the Prize Schedule does not include GST.

The prize money which we pay to successful exhibitors depends on information provided to us. If you confirm that you are GST registered and provide your Australian Business Number (ABN), we will pay the appropriate prize money plus 10% GST. We will provide you with a Recipient Created Tax Invoice which you will need to submit to the Australian Taxation Office.

If you confirm you are registered for GST, in entering the competition, you acknowledge your agreement to the following:

You will not issue a tax invoice to the RA&HS in respect to prize money received;

You will notify the RA&HS if you cease to be registered for GST.

If you provide your Australian Business Number but are not registered for GST, we will pay the prize money as detailed in the Prize Schedule without reference to the GST.

If you confirm you are entering as part of a private recreational pursuit or hobby, we will pay the prize money as detailed in the Prize Schedule without reference to GST.

#### IMPORTANT

It is important that you either:

- Confirm you are entering as part of a private recreational pursuit or hobby, or
- Confirm you are entering as a GST registered business and supply your ABN

Failure to do either of the above will require the RA&HS to withhold tax, at the maximum tax rate, from prize money in accordance with Australian tax legislation.

**The RA&HS is not a tax consultant and therefore assumes no liability for actions taken as a result of these guidelines. In any instances where an entrant or sponsor is uncertain of the tax implications of their involvement, they should consult their own accountant or tax advisor.**

The Society makes every endeavour to ensure all prizes listed are accurate at the time of printing. Should a prize (cash, voucher, product, trophy) be withdrawn by a sponsor subsequent to printing, the Society will pay prize money as stated above. It is the responsibility of the prize winner to follow-up with the Society any sponsored prize (cash, voucher, product, trophy) they believe they are entitled to prior to 11 December in the year of the prize being awarded. The Society will not follow-up prize sponsors after this date or review any prizes that may have been incorrectly awarded.

### SICK OR DISEASED ANIMALS

If in the opinion of a qualified veterinary surgeon appointed by the Society, an animal on the Showground is so injured or affected by sickness, disease or other ailment as to warrant its destruction or removal from the Showground, the Society shall be entitled to have the animal destroyed and/or require it to be removed immediately from the Showground. If the exhibitor fails to respond to a request to remove an animal, the Society may do so and any costs of removal will be borne by the Exhibitor.

### PENALTY FOR NON-EXHIBITION OF ANIMAL

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show area, any persons making an entry shall be liable to a fine of \$15 in respect of each animal not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the secretary of the Society before the day of exhibition to the effect that such non-exhibition is caused either by

1. the death of the animal or animals; or
2. contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or
3. becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such will debar all persons owing from exhibiting at future exhibitions of the Society.

### UNAUTHORISED REMOVAL

Exhibitors shall not remove their animals from the Showground before the time set down for their removal unless they produce a certificate signed by the Society's Veterinary Surgeon or the Supervisor of the section, signifying that the animal shall be removed for reasons of health or condition.

## JUDGES

Purebred Rabbits.....Doug King (USA)  
Rabbit Showjumping .....Michelle Gladwin & Suzie Smith  
Pet Rabbit Day.....Suzie Smith

## VETERINARY INSPECTION

Purebred rabbits must arrive from 7.00 am and no later than 8.00 am on judging days. Showjumping and Pet Rabbits must arrive from 8.00 am and no later than 9.00 am on judging days. Examination by the Society's veterinary surgeon will commence at 7.30 am for Purebred rabbits and 9.00 am for Showjumping and Pet Rabbits.

All rabbit's nails must be clipped prior to vetting. Any rabbit which shows symptoms of any disease is infested with fleas or mites and/or dirty, must be removed from the Showground immediately. If any exhibit is rejected on the grounds of infectious or contagious disease, then other exhibits from that rabbitry may also be excluded from the competition.

**The vet's decision is final.**

## SPECIAL NOTE

The RA&HS reserves the right to combine the two Purebred judging days pending entry numbers. In the event of this, judging of all the Purebreds will take place on Saturday, 1 September. Also in the event of high entry numbers in the showjumping section the RA&HS reserves the right to extend the judging to include Thursday 6 September. Official notification of judging day/s will be sent to exhibitors after the close of entries. All entries tendered are with this consideration.

## PURE BRED RABBIT REGULATIONS

Judging will follow the BRC breed standard, with the ARBA breed standard being used for any additional breeds not covered by the BRC. In entering your rabbit you are inviting the personal opinion, on that particular day, of the duly appointed judge. The judge's decision on the day is final and no correspondence will be entered into. All exhibits in breed classes must be wearing approved leg rings with the only exception being rabbits that have been marked with an official tattoo of the club or country of origin.

### Registration:

To be eligible to compete in breed classes, all exhibits must be registered in the name of the owner with the South Australia Rabbit Association Inc. Registration forms are available to download from the SARA website at [www.sarabbits.com](http://www.sarabbits.com) The closing date for registration is 19 August 2018 and all payments / paperwork for registration must be received by this date. Registration forms can be posted to the club mail box or emailed.

For enquiries regarding the registration or transfer of exhibits please contact Sally Turner - mobile: 0417 886 307 or email: [sarabbits.inc@gmail.com](mailto:sarabbits.inc@gmail.com)

### Purebred Rabbit Ages:

Ages will be calculated as at 31 August 2018. The minimum age of a rabbit entered will be ten (10) weeks. Age brackets are fixed as follows:  
(a) Kittens to be 10 weeks and under 14 weeks. For rabbits born on or between 26 May and 22 June 2017.  
(b) Juniors to be 14 weeks and under 5 months. For rabbits born on or between 1 April and 25 May 2017.  
(c) Adults to be 5 months and over. For rabbits born on or before 31 March 2018.

### Advertising:

Exhibitors are not permitted to display any advertising material until completion of judging. The exhibitor may then only display a maximum size of business card or similar on their show cages.

The Society acknowledges the generous donation from

for the supply of feed for the Rabbit Section at the 2018 Royal Adelaide Show

**Handling:**

All animals must be handled with care and kindness. No rabbit is to be lifted by its ears or the scruff of the neck. The grooming of all breeds of rabbits must be completed and the exhibit penned 30 minutes prior to show commencement.

The exception being long coated breeds, which are allowed to be groomed until 15 minutes prior to show commencement. No person/s other than officials of the South Australian Rabbit Association are permitted behind the barriers while judging is in progress. At the discretion of the Show Convenor any animal that is unable to be handled safely will not be judged.

**SHOWJUMPING REGULATIONS**

Only healthy, tame, clean and friendly rabbits are eligible to compete in the Showjumping competition. Exhibits may be any breed of domestic rabbit, no pedigree or registration is required to compete in this section; however all remaining general show rules will apply. Rabbits on any type of medication are not eligible to participate. Pregnant or Nursing Does are not eligible to compete.

Rabbits should never be “pushed” or “forced” to complete a jump on the course and scooping is not allowed (scooping is determined as being a forward action of the handler’s hand behind the rabbit to encourage it to jump). In addition to this, rabbits on harness must not be “dragged” or directed with the feet of the handler. The handler may grab the harness to correct the rabbit if the handler is stationary.

Competitors in the Adult Group 2 must use a “H Style” harness. No other type of harness is allowed.

Rabbits must be handled in a humane manner and careless handling of rabbits will result in a warning.

Judges have the right to ask an exhibitor to step down if cruelty is observed or suspected. Serious neglectful handling will result in disqualification from all classes entered.

Only participating rabbits will be permitted in the event area. Only rabbits competing in the class being run will be allowed to use the jumping equipment.

The equipment size, height and order will remain the same type and construction for each rabbit competing in that class.

Please note that the classes may not run in the same order as printed in this schedule.

**Showjumping Ages:**

Ages will be calculated as at 4 September 2018. The minimum age of a rabbit entered will be six (6) months.

Competitors are split into Junior and Adult groups depending on the age of the entrant/handler.

Please take care to enter the correct classes as per your age as at 4 September 2018.

Age groups are determined as follow.

**Junior group** – You may be 14 years old or younger.

**Adult groups** - You must be 15 years of age or older.

**Cleaning:**

It is important that each rabbit is well groomed, clean and long nails are trimmed before competition, to prevent contamination of the equipment or injury to the rabbit.

Exhibitors must clean carpet and equipment thoroughly, if soiled, after the completion of the run.

**PET RABBIT REGULATIONS**

Competitors are split into Junior and Adult groups depending on the age of the entrant/handler.

Please take care to enter the correct classes as per your age as at 5 September 2018.

Age groups are determined as follow.

**Junior group** – You may be 14 years old or younger.

**Adult groups** - You must be 15 years of age or older.

You may enter as many classes as you wish.

Exhibits may be any breed of domestic rabbit, no pedigree or registration is required to compete in this section; however all remaining general show rules will apply. All animals must be handled with care and kindness. No rabbit is to be lifted by its ears or the scruff of the neck.

**Rabbit Ages:**

Ages will be calculated as at 5 September 2018. The minimum age of a rabbit entered will be ten (10) weeks.

### PROHIBITION FROM EXHIBITING EXHIBITS NOT ELIGIBLE TO COMPETE

Any exhibitor, in whose rabbitry a case of Myxomatosis is confirmed, may not exhibit at the show unless the elapse of 28 days has occurred from the last death.

Any exhibitor, in whose rabbitry a case of Calici Virus is confirmed, may not exhibit at the Show unless the elapse of 90 days has occurred from the last death.

An exhibitor must not compete if they have had unexplained deaths in their rabbitry within the 14 day period before the Royal Adelaide Show. Calici Virus should be expected in any sudden death especially if more than one rabbit in the household has died. Individual rabbits will also become ineligible to compete if previously entered in a display or show in the 14 days prior to this event.

### CAGES

Exhibitors must supply their own show cages. Cages must have a solid leak proof tray/base, which cannot exceed half the total height of the cage. Shavings or litter must be contained in the base, under the wire floor. Wood construction of any type is not allowed. Cages should be designed and maintained in a condition as to not cause injury to stewards or the rabbits. All cages must be top opening and should be fitted with a 30 mm curtain ring on the front face of the cage to facilitate pen tag attachment. At the exhibitor's discretion, cage curtains made of white cotton may be attached covering three sides only leaving the cage front and top clear.

A cage curtain must not impede the stewards' access. Cages are not to be marked with exhibitor name or stud prefix.

Cages can be divided if the rabbits being exhibited are of the same breed and the size requirement is not compromised. The height of the cage should have sufficient clearance so that the rabbit's ears do not contact the lid. A maximum height of 45 cm applies to all show cages. The size requirements below are a recommendation for the wellbeing of your rabbit. Dwarf & Miniature breeds up to 2.25 kg (5 lbs) – 30 x 40 cm

Medium sized breeds up to 3.65 kg (8 lbs) – 35 x 50 cm

Large and Giant breeds – 40 x 60 cm

The Show Committee can refuse cages of poor design and has the final say regarding the suitability of all show cages and curtains.

### EXHIBIT PREVIOUSLY OWNED BY A JUDGE

No rabbit previously owned by a judge shall be eligible for exhibition under that judge until a period of three months has elapsed from the date of registration or transfer being recorded.

### LIABILITY

All rabbits are entered at the risk of the owner. The RA&HS and the SARA Inc. will take all due care but accept no responsibility for the health and wellbeing of rabbits attending the Show.

### FEED AND WATER

All exhibits must have water bottles fitted to their cages at all times. Owners are permitted to supply foodstuffs as they see fit. Loose hay must be contained in a hay cage or enclosure suitable for this purpose (e.g. cardboard toilet roll). The Vetting Officer, Show Convenor or other committee member may supply water to any animal if they feel it is necessary to do so. Water bottles should be attached in a manner that does not impede the steward's ability to open the cage and remove the rabbit easily.

*Important Conditions  
(continued)*

*The Insured Party must make themselves aware of and comply with the following Notices:-*

**Duty of Disclosure** Before you enter into a contract of General insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984 as amended, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose these matters to the insurer before you renew, extend, vary or reinstate a contract of General insurance.

Your duty however, does not require disclosure of matter:-

that diminishes the risk to be undertaken by the insurer

that is of common knowledge

that your insurer knows or, in the ordinary course of his business, ought to know.

**Non-Disclosure** If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce his liability under the contract in respect of a claim or may cancel the contract.

If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

**Average Provision** The insurer will pay legal expenses in addition to the sum insured, if however, the total amount of the loss (less legal expenses) ultimately paid to the claimant(s) exceeds the sum insured then insurers will only pay (in addition to the sum insured) that proportion of the legal expenses as the sum insured bears to the loss.

**Third Party Interests** This policy will only provide cover for your interest and does not cover the interests of any third party (e.g. financiers, lessors, etc) unless the interests of the third party are noted in the policy.

**Waiver of Insurer's Rights** You must not enter into any agreement without the written authority of the insurer whereby any of their rights to which they become entitled as your insurer after settling or agreeing to settle a claim are prejudiced or limited in any way otherwise all benefit under the policy will be forfeited.

- NOTE**
1. *All enquiries to be referred to Arthur J Gallagher Insurance Brokers  
Tel. no. (02) 9424 1888*
  2. **CLAIMS**
    - (a) *No admission of liability or fault may be made in any form to a claimant. To do so may breach the policy conditions and enable insurers to avoid settlement.*
    - (b) *Any notice of a potential or actual claim must be referred immediately to Arthur J Gallagher Insurance Brokers*
  3. *Nothing herein shall be construed to alter in any way the scope of insurance policy, its terms, conditions or exclusions, issued by insurers.*
  4. *RAHSSA is not liable to the Insured Party in the event a claim is not paid or payable by Insurers unless RAHSSA fails to take reasonable steps to advise that the cover is or is likely to be cancelled or not renewed.*
  5. *RAHSSA is not an Australian Financial Services (AFS) Licence holder. RAHSSA is not providing financial product advice, has not considered the particular needs of the Insured party and no statement is intended to influence a person or persons making a decision in relation to any insurance cover. You should consider obtaining your own financial product advice from person holding an AFS Licence.*
  6. *This insurance only applies to insured parties entering competition in accordance with the general regulations.*

**The details listed above are not comprehensive and are provided as an outline of the policy only. Extracts from the policy are available for inspection on request at RAHSSA's Registered Offices during office hours.**
