

SEE YOU NEXT YEAR!

After extensive consideration, it is with much sadness that the Society is obliged to cancel the 2020 Royal Adelaide Show.

Due to the Coronavirus (COVID-19) pandemic, and the current restrictions in place for public gatherings, along with the uncertainty of any timeline around lifting restrictions, it makes it unworkable to hold a large event such as the Show in 2020.

The decision not to go ahead with the 2020 Royal Adelaide Show has not been taken lightly. It is deeply disappointing to reach this decision; however, it has been carefully evaluated and considered. It is felt the position the Society has taken is in the best interest of public health and the broader community.

The Society will now turn its attention to planning and presenting a fantastic Spring Show in 2021.
